INSTRUCTION SHEET

This application form is for physicians who were *previously licensed in Delaware* but whose Delaware licensure has lapsed and is no longer renewable.

Please read all instructions carefully before completing and submitting your application. Failing to follow instructions may delay your licensure. All auxiliary forms you need are included in this packet.

If your application is not complete within six months of filing, it may be considered abandoned and discarded.

Checklist for *All* Applicants

☐ Submit completed, signed and notarized application form.
- Make sure all questions are answered unless the instructions tell you to skip a question.
- Read the AFFIDAVIT section.
- Sign the application in front of a notary public.

☐ Enclose processing fee by check or money order made payable to "State of Delaware."

☐ Submit proof of 40 hours of Category I AMA Continuing Medical Education that you have completed in the past two years.

☐ Complete the *Criminal History Record Check Authorization* form to request state and federal criminal background checks. Follow the instructions on the authorization form to arrange to be fingerprinted.
- You must meet this requirement *even if* you recently had a criminal background check done for some other reason.

☐ If you *ever* held a medical or training license in any jurisdiction other than Delaware, arrange for the Board office to receive a *Verification of Physician License* form from *each* jurisdiction where you have held a license.
- Before forwarding the form, check whether the jurisdiction requires a fee.
- The Board office must receive the completed verification *directly* from the other jurisdiction. The jurisdiction's seal must be affixed to the form.
- Internet verifications or faxed verifications will not be accepted.

☐ If you previously practiced medicine (other than as an intern or resident), arrange for the Board office to receive a *Service Letter* from *each* healthcare facility where you currently have, or you had within the past five years, either direct patient access or admitting or staff privileges.
- A responsible physician at the facility must sign the form.
- The facility's institutional seal must be affixed to the form. If no seal is available, the completed form must be notarized.
- Facilities must return the forms directly to the Board office within 10 days of receiving the request. Faxed forms will not be accepted.

☐ If any of the following describes your situation, arrange for the Board office to receive *two* letters of reference from physicians who are familiar with you but are not related to you:
- You were self-employed for the entire past five years, or
- You had *no* direct patient access during the past five years, or
- One or more of the facilities where you had direct patient access in the past five years no longer exists.

☐ If you answer "yes" to questions in the DISCLOSURES section – other than Questions 26, 28, 29 **–** you must fully explain your answer. We suggest that you use the *Physician Self-Report* form for this purpose. However, if the *Physician Self-Report* does not fully cover your situation, submit a *signed, notarized statement* in lieu of or in addition to the *Physician Self-Report*.

☐ Complete, sign and submit the *Delaware Child Protection Registry Request Form* to the Department of Services for Children, Youth & Their Families following the instructions on the form.

☐ Request a self-query from the National Practitioner and Healthcare Integrity and Protection Data Banks (NPDB/HIPDB) website at www.npdb-hipdb.hrsa.gov. The self-query report will be mailed to your address. When you receive the report, mail (do not fax) the ***original report*** to the Board office.

☐ If you have never been issued a U.S. Social Security Number (SSN), submit a *Request for Exemption from Social Security Number Requirement*.
- *The Privacy Act of 1974, Section 7, requires the following information to be given to all applicants:* Applicants for any Delaware professional or occupational license, permit, registration or certificate (other than Gaming permits) are required to provide a U.S. SSN (29 *Del. C.* §8735(m)). The Division of Professional Regulation uses the SSN primarily to verify identity and safeguard personal information. It may also be used to enforce child support obligation (13 *Del. C.* §2216) and for other lawful purposes.

Controlled Substance Registration

- **The application for Physician re-licensure is NOT an application for a controlled substance registration (CSR). For the CSR application and instructions, see *Application for Controlled Substances Registration – Practitioners*.**

- If you apply for your Physician license and CSR at the same time, the Controlled Substance application will be processed *after* your Physician license is issued. When your Delaware CSR is approved, you must then file for a federal DEA registration.
